

Stage 6 – Geoffrey Audio File Reference List

AUDIO_Dialogue_Geoffrey_Dialogue01_01

Oh... Merchan-TREE... How did I not make that connection?

AUDIO_Dialogue_Geoffrey_Dialogue02_01

Hey, how you doin'? One moment, let me just put these things down.

AUDIO_Dialogue_Geoffrey_Dialogue03_01

There we go! Now, what can I help you w... Well, if it isn't Genevieve's apprentice! Or should I say, former apprentice.

AUDIO_Dialogue_Geoffrey_Dialogue04_01

Wow, the last time I saw you, you were at least an average sized stick shorter!

AUDIO_Dialogue_Geoffrey_Dialogue05_01

Gen said you'd be dropping off the new sticks. It's about time!

AUDIO_Dialogue_Geoffrey_Dialogue06_01

Now, let's see what you've brought me.

Ending Options

[Option #1: No sticks sold]

AUDIO_Dialogue_Geoffrey_Dialogue07_01

A solid bundle of sticks, as requested! Yeah, this all seems to be in good order.

AUDIO_Dialogue_Geoffrey_Dialogue08_01

Gen's a top tier stick, you know? She always has reliable goods in stock.

AUDIO_Dialogue_Geoffrey_Dialogue09_01

Between you and me though, you can find some more valuable stuff while travelling...

AUDIO_Dialogue_Geoffrey_Dialogue10_01

There's nothing like selling on the road! Capitals aren't the only place for merchantry...

AUDIO_Dialogue_Geoffrey_Dialogue11_01

Always keep an eye out! Check everything, talk to everyone! That's my advice, and I stick to it.

AUDIO_Dialogue_Geoffrey_Dialogue12_01

Anyway, fine work, young merchant! You did well!

[Option #2: One or more sticks sold]

AUDIO_Dialogue_Geoffrey_Dialogue13_01

Whoa! Looks like you've been busy!

AUDIO_Dialogue_Geoffrey_Dialogue14_01

I'm seeing some pretty valuable sticks here. I'm impressed!

AUDIO_Dialogue_Geoffrey_Dialogue15_01

It's not always easy to tell what kinds of sticks folks will be into. That's one of the hardest parts of the job.

AUDIO_Dialogue_Geoffrey_Dialogue16_01

If you find something they've been needing, you might get something really special in return.

AUDIO_Dialogue_Geoffrey_Dialogue17_01

That's my advice, and I stick to it.

AUDIO_Dialogue_Geoffrey_Dialogue18_01

Anyway, an excellent job, young stickling! You seem to be getting the hang of stick merchantry.

[Option #3: All sticks sold]

AUDIO_Dialogue_Geoffrey_Dialogue19_01

Sticks above! I've never seen a collection like this before! Sticks like these don't grow on trees.

AUDIO_Dialogue_Geoffrey_Dialogue20_01

Gen taught you well, I see. One of these days you might even replace me as Master Merchant!

AUDIO_Dialogue_Geoffrey_Dialogue21_01

Anyway, outstanding work, young merchant! Now make like a tree... and give me some more sticks. Right? Like a tree? It makes sticks... come on!
